

BEST OF THE WEST.

COALITION FOR TOBACCO-FREE ARIZONA THIRD ANNUAL CONFERENCE

Thursday, September 8 and Friday, September 9, 2005
Phoenix, Arizona

Don't miss this outstanding opportunity
to meet with the best minds from the Southwest
in an informative, two-day symposium in the Valley of the Sun
focusing on the unique needs of our region. Mark your calendar now,
and look for registration materials in June.

Topics for success in a new tobacco control climate:

Reaching Disparate Populations
Secondhand Smoke Panel Discussion
Chronic Disease and Tobacco
Young Adults: Communication and Intervention Techniques
Prevention and Cessation Serving our Rural Communities
Differentiation of Native American Tobacco Use
vs. Commercial Use

Reimbursement for Cessation Counseling
Efficacy and Evolvment of Quitlines
Southwestern States Roundtable Discussion
Strategies to Engage the Healthcare System
Integrating Tobacco Control with Chronic
Disease Prevention

Educating, Training and Collaborating on Tobacco Control

ARIZONA - CALIFORNIA - COLORADO - NEVADA - NEW MEXICO - UTAH
