

The Coalition for Tobacco-Free Arizona (CTFA) Presents

Thinking Strategically About Grants: Tools for Effective Research & Writing

Training Agenda - Thursday, January 13, 2005

Lynn Timmons Edwards, MPA, City of Phoenix, Intergovernmental Programs
Cecile Fowler, MS, City of Phoenix, Lead Hazard Control Program

Training Objectives:

- To provide a brief overview on grant-writing basics
 - To provide research methods for finding funding opportunities
 - To provide one or two case studies on how to research and write a successful grant
 - To provide an understanding of the differences between private and government grants
 - To discuss the key challenges facing grant writers and ways to overcome them
